

Life's Treasures™

Sterling Silver Pave Pendant

This sterling silver pendant is enhanced with sparkling cubic zirconia stones and can hold a small locket of hair or a portion of cremated remains in the area revealed by the removable end cap. Choices for the end cap include any of 12 simulated birthstones; black cabochan, polished sterling silver; or one of the four end caps of pave CZ's and simulated ruby, simulated sapphire, simulated emerald or cubic zirconium. This custom designed pendant is suspended from a 22" long sterling silver mirrored box chain.

Pendant- D5042
(End Caps sold separately)
